## **MODIFIED OPEN DIVISION FOR BLACK BELTS**

*(NOT COMPETING IN THE WORLD CLASS DIVISION)*

**Black Belts must choose between World Class or Open Division.** The U.S. Poomsae Champions Cup will offer an open division for Black Belts who wish to compete using World Taekwondo Black Belt Forms, but may not be familiar enough with requirements to compete in the Official Division. (For example: A Black Belt Age 31-40 may not be familiar with Sipjin, a poomsae requirement based on WTF standards.)

By competing in the Open Division, the Black Belt may choose any two WTF recognized poomsae to perform (Taegeuk or Yudanja). It is important to note that the Poomsae that the black belt chooses must be WTF recognized poomsae and they must be performed to standard and will be judged by the standard. **Open Black Belt divisions will be contested using CUT OFF format.**

## **RULES**

**Poomsae — This is a Poomsae Only competition.** A cut-off format or head-to-head format will be used to ensure that all competitors will perform and be scored on a minimum of two poomsae (forms). Color belts will be required to know their rank form and any other Taegeuk form. Black belts will be required to know all forms for their age category regardless of their rank. Modified World Championships rules will be applied and all poomsae standards are based on World Taekwondo and Kukkiwon documented standards.
